I, the undersigned, agree that all items entered in the Winter Swap with this form are owned by me, and may be sold at the price listed on this form and each registration tag as set by me. I attest to the fact that I am of legal age and can enter into this legal consignment agreement. Item tags and wickets can be picked up beginning Monday October 24th at the Ski Shack in Hayden Lake. Merchandise must be tagged as specified in our **“Tagging Instructions” (Separate page)**. Public check in for your items will be at the North Idaho Fairgrounds in building (#3) on Friday November 4th from 3 PM to 8 PM. A 20% sales commission will be deducted from every item sold during the swap. “Straight” alpine/downhill skis are no longer being accepted for consignment at the Winter Swap and we recommend only items of \$5 and above and even dollar amounts only.

It is further agreed that **all items not sold and/or checks for sold items, Must be picked up Sunday morning (day after swap) November 6th at the fairgrounds only between the hours of 9:00 AM and 12:00 Noon.** For any merchandise item not picked up by noon on Nov. 6th, the seller agrees to pay a \$5.00 per day storage and handling fee. Any items left for more than 7 days will be forfeited by the seller and sold at any price by the Winter Swap to cover storage and handling fees. Please make a copy of this completed agreement for your records. You will receive a receipt at check in for the swap items entered, and will need to present it on Sunday morning Nov. 6th prior to Noon to pick up your unsold merchandise and/or a check for sold Items.
